

Four Paws Animal Hospital & Wellness Center, Inc.

Virginia Veterinary Disclosure Form

The hours of operation of Four Paws Animal Hospital & Wellness Center are as follows:

Monday 7am – 6pm

Tuesday 7am – 7pm

Wednesday 7am – 7pm

Thursday 7am – 6pm

Friday 7am – 6pm

Saturday 8am – 12pm

Sunday Closed

During the hours of operation the veterinarian on duty will be in the building most of the time. On occasion, however, the veterinarian may be called out of the hospital for brief periods. If the veterinarian is not on the premises, there will be other trained personnel on site to monitor the welfare of the animals, and the veterinarian will be reachable.

Outside the hours of operation there will not be a veterinarian on the premises, and any animals in the facility will not be receiving continuous monitoring. This includes overnight, weekends, and holidays. If the veterinarian feels your pet needs to be checked outside of normal hours, she will do so as needed. In the event we feel your pet requires continuous monitoring, we will recommend a transfer to Fredericksburg Regional Veterinary Emergency Center, or another 24 hour facility of your choice.

By signing this disclosure form I acknowledge that I understand these conditions and find them acceptable.
